John –

With the holidays fast approaching, we may be pressed to get all the right parties together, but are willing to meet soon thereafter if that works for you. Since we do not have office space at Hqs. if we meet there we will have to coordinate a suitable location (b)(3) CIAAct
[redacted], but understand your request. Once we have a tentative date, will find an office to accommodate a small group meeting. Let me know when the best days/times would work

I received your package yesterday. Thanks for the time and care the Board devoted to the manuscript.

I have reviewed the deletions and for the most part understand and accept why they were made. There are a handful -- none of the longer blacked-out passages but rather a phrase or sentence here or there -- where I am hard-pressed to understand why the words are classified. Accordingly, I would like to take you up on your offer to meet and discuss them. I don't anticipate it being a long session.

My schedule is pretty much open, and I would like to do it as soon as possible so that I can finalize things. If it could possibly take place at HQs rather than [redacted] (which is a long, long way from where I live), that would be great too.

Again, I deeply appreciate the PRB's fair and thoughtful treatment of the manuscript.

Best,
John

John --

I was out for a long weekend, but understand you should be receiving our response shortly. After you see where we made deletions, if you have any questions (or disagree for that matter), please let me know. We will set up a time to walk through our rationale and identify issues that need to be resolved.
